

## **Statement from Broxbourne Big Local regarding changes to services at Wormley Community Centre July-November 2024**

We are really pleased to say that there will be some major improvements being made to the community centre between July and November 2024. This will involve a much-welcomed transformation to the kitchen, bar and toilet facilities.

Although we will still be hiring out the rooms in the centre, there will inevitably be some disruption to our usual service while this work is taking place. As your requested hire date is within this timeframe, we would like to outline the planned changes to allow you to make an informed decision on your hire.

The current plan is for the whole of the front of the building to be closed off to the public July-November 2024, please see below the anticipated temporary changes during this time:

- Access to the Hall and Studio rooms will be from the rear of the Community Centre.
- Temporary mobile toilets will be situated on the Terrace area at the back of the community centre.
- There will be no bar service available. Hirers will be permitted to arrange their own licensed mobile bar service during this period ONLY. (possible recommendations available upon request.)
- The main kitchen will be out of service, however you will have access to a smaller, fully functioning kitchen.

If you have any more queries or questions regarding this, please email [bookings@wormleycommunitycentre.org.uk](mailto:bookings@wormleycommunitycentre.org.uk) or call the office Mon-Fri 9am-5pm 01992 217077
